RS1 PARADE

A STEP IN THE RIGHT DIRECTION

To continue on the legacy of the innovative Regimental Series by British Drum Co., we have announced the RS1-P snare drum.

Hand-built with an 8ply 5mm grade A Scandinavian Birch shell, the 14 x 12" snare drum includes a 45° bearing edge and Palladium Mk2 snare strainer on the lower head only, alongside a Magnetik drum key.

The RS1P is finished in our signature Art-Deco inspired Palladium hardware, with the aim to deliver a stylish look with reliable functionality.
