MADE IN BRITAIN

RS1TENOR

The RS1T - A 16" x 12" Tenor drum designed to sonically and visually complement the Regimental Series snare and bass drums.

The RS1T comes fitted with Remo Powermax pre-dampened heads for enhanced sound control, chrome triple flange steel hoops for a lower playing profile and a lightweight aluminium carry hook which can be placed anywhere on the top hoop. The Palladium lugs not only lend stability but also an exquisite aesthetic touch, while the Magnetik drum key simplifies tuning adjustments with ease.

- 16" x 12"
- 8ply 5mm Grade A Scandinavian Birch Shell
- 45° Bearing Edges
- Remo Powermax Ultra White Drumheads
- Triple Flange Steel Hoops
- Palladium Lugs
- Aluminium Carry Hook
